# *what is* **fForest Fest**

fForest is a norweigan word that means to 'Do, Be, and Make in nature'. What a great word to use as the name for this new vendor market and music festival taking place in Goold Park, under a canopy of mature trees, in the center of Morris, Illinois. The meaning fully encompasses what this day will entail.

**DO:** Doing fun things such as shop, eat, drink, dance, and laugh. Do something different. **BE:** Be outdoors in nature. Explore all the things to do in the park, or just find a tree and relax, listening to great music and people watching. **MAKE:** Making new friends, new memories and maybe a few crafts along the way.

*See you under the trees at fForest Fest.*

A large white teepee is the central focus, set up on a grassy field. The background is filled with tall, leafy trees. The sun is low on the left, creating a warm, golden glow and long shadows. In the distance, other festival elements are visible, including a white Esso truck and various tents.

This high energy ska punk band from Michigan was a last minute addition for fForest Fest in 2024. They blew away the audience and we are thrilled to welcome them back.

is a fForest Fest sponsor!

# JESHUA MARSHAL

## AND THE FLOOD

Most artists will tell you that they sing about what they feel. Jeshua Marshall lives the music that he sings. From the time he was nine, when he was first inspired by a visit from Jimi Hendrix in a dream and subsequently gifted his first guitar, through to the formation of his band Larry and His Flask and now, some 20 years later, music has been a mainstay of his life, the thing that's inspired him, driven him and now, brought him to the precipice of the recognition he so decidedly deserves.

Punk Rock Bowling

largest gatherings

We are proud that  
two of the bands playing  
at fForest Fest

these events.

if you happen to be  
in Las Vegas  
before  
heading to  
fForest Fest.

New for 2025,  
fForest Fest added  
an Acoustic Stage.  
Four singer/songwriters  
will be taking the stage  
throughout the day.

Don't worry. All shows are staggered, on both  
stages so you won't miss any of the shows.

Acoustic Stage 4:15pm

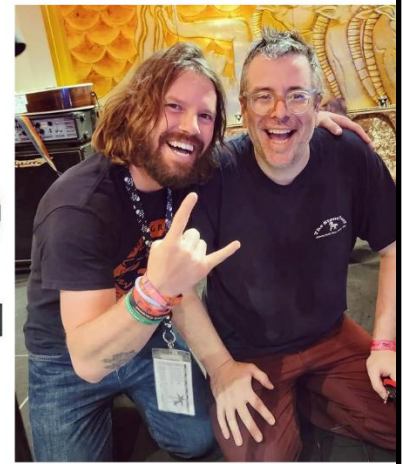

Jon Snodgrass is a fForest Fest favorite. This is his third year playing the fest. Jon is one of the most talented song writers, and has collaborated with some of the biggest names in the industry. He is everyone's buddy and a has a great voice.

# A STORY ABOUT JON.

fForest Fest booked Jon for 2025.

Jon was happy. Everyone was happy.

Jon's family vacation was planned for July  
(or so Jon thought.)

Jon cancelled fForest Fest because the  
family vacation was actually June.

Everyone was sad.

fForest Fest worked to replace Jon.

(there is no replacing Jon Snodgrass).

Jon's family changed their vacation.

So now Jon is playing fForest Fest 2025.

EVERYONE IS HAPPY!

Liam Kyle Cahill.

Liam was the first artist to ever play the fForest Fest stage. He has returned every year, either as a solo act or with his band, Part Time Problems.

He has released SIX albums and will be spending the day at fForest Fest. Ask for his autograph, buy him a beer, or give him a hug!

## Acoustic Stage Opener 12:15pm

Kasey Christensen is a folk singer-songwriter known for her heartfelt lyrics and soulful voice. Music has been a part of her life since an early age, singing with her mom around the house and in car rides to school. But Kasey always wanted to play an instrument to accompany her voice and began learning the ukulele in 2019.

After taking voice lessons, Kasey dove headfirst into music and began attending open mics regularly, connecting with the Reno music community and honing her skills. She played her very first two hour showcase only a year after picking up the guitar. For more than two years now she has hosted her own monthly open mic in Reno. She released her first studio single in Dec 2023, followed by a 3 song Live EP in Dec 2024.

## FAQ: Will the bands be selling merch?

Yes! Most bands will sell merchandise. If they are selling merch, check the Merch Tent, next to the Stage. You may even catch the bands hanging out there before or after their sets. Merch is how bands afford to travel & tour. Buy Merch!

## FAQ: Can I buy festival merch?

Yes! Definitely! Look for the Merch Tent. There are t-shirts, koozies, stickers, posters and more. The Merch tent does accept credit cards. Tip: there is a limited number of festival posters available. Shop early.

# WHY DO YOU CHARGE A GATE FEE ?

This is one of the most commonly asked questions on festival day.

The simple answer is this is a very expensive event to produce. The fee of \$10 to see these bands is very inexpensive in the music world. Most shows start at \$40.

fForest Fest has to pay bands, we pay our staff, we donate back to all the organizations that help, set aside a portion to produce next year... and then, we donate any proceeds to the non profit behind fForest Fest - IMC3.

I& M Canal Cleanup Coalition (IMC3) is a non profit based in Grundy County. The mission of this group is to keep the I&M Canal clear of trash and keep its beauty for everyone to enjoy.

The I&M Canal runs from the Chicago River at Bridgeport and extends 96 miles to the Illinois River at LaSalle, passing through Morris,

IMc3 also educates the community on the history of the canal, produces events to celebrate the canal, and plans to lead future projects.

So long story short. Your \$10 per person goes as far as \$10 can go. Its a minor cost for a fun day. Breaking it out, its \$1 per hour. What a bargain!

A purple rectangular poster with a black border. At the top, the words "ENTER HERE" are written in large, light blue, blocky letters with a black outline. In the center, there is a circular logo with a yellow border. Inside the circle, the words "FOREST FEST" are written in a stylized, yellow, cursive font. Above the text, there are three black silhouettes of pine trees. To the right of the circle, there is a cartoon illustration of a brown, furry creature with a mohawk hairstyle, wearing black sneakers and playing a yellow electric guitar. At the bottom of the poster, the text "\$10 per person" is written in large, white, bold letters, with "under 5 free" in smaller white letters below it. At the very bottom, the text "No Pets: City Ordinance" is written in yellow.
